For Wall Plate

For Hinge Plate

## MODEL MEL180

180 Degree Glass-to-Glass

**Melbourne Series Hinges** feature large hinge plates that provide more clamping force. The required simple rectangular cut-out and inset style gasket system allow ease of installation. Constructed of forged solid brass, the Melbourne Series offers three versions of Wall Mount Models, a 180 Degree Glass-to-Glass Model, and Replacement Cover Plates (for MEL024 Only) to conceal rear hinge screws and wall mount screws. Hinge contains same 5 degree reversible pivot pin used in our Geneva Series Hinges. For use with 1/2", 3/8", and 5/16" (12, 10, and 8 mm) thick tempered glass.
