

# CURTAIN WALLS

## SERIES 3150 CURTAIN WALL

- Vertically Butt Glazed
- 2-1/2" (63 mm) Face Dimension
- 1/4" and 1" (6 and 25 mm) Glazing Systems
- Multiple System Depths
- Exterior Glazed
- Injection Molded Water Deflectors
- Thermally Improved
- Pressure Bar Glazed
- No Exposed Fasteners

Series 3150 Curtain Wall combines the horizontal members of Series 3250 Curtain Wall with structural silicone glazed vertical mullions. Narrow 3/8" (9.5 mm) wide silicone joints and vertical mullions hidden behind the glass create the appearance of a glass wall with horizontal feature strips. Dual or two-tone colors can be achieved by specifying different finishes for the exterior face covers and interior mullions. Two piece horizontals and extruded shear blocks allow for a concealed horizontal to vertical joinery without exposed screws.

# SERIES 3150 TYPICAL DETAILS

TYPICAL ELEVATION

4", 5", and 8" (102, 127, and 203 mm) Backmembers are available. 1/4" (6 mm) glazing is also available.
