## SERIES 1000 FLUSH PANEL DOORS

- 1-5/8" (41.3 mm) Thick Flush Panel With .06 Aluminum Outer Panels
- Available as a Solid Door or Options for Vision Lites
- Lifetime Warranty on Corner Construction
- Mechanically Fastened and Welded Corners
- Accommodates Narrow, Medium, and Wide Stile Doors
- Offset or Center Hung Door Applications

The 1000 Flush Panel Door features an extruded aluminum perimeter with foam panel inserts available in several types of facing, plain or ribbed aluminum sheet in clear or bronze anodized finishes. It's a functional component that contributes significantly to the durability of the Flush Panel Door and available as a solid door or with options for Vision Lites. Stock or special hardware can be readily adapted for exterior or interior applications. Job tested mechanically fastened and welded corners create a rugged structural assembly.
